- 33 (3) For each year after 1995, calculate the total amount of
- 34 revenues that are to be distributed as distributive shares during
- 35 that month as follows:
- 36 STEP ONE: Determine the total amount of revenues that were
- 37 distributed as distributive shares during that month in calendar
- 38 year 1995.
- 39 STEP TWO: Determine the total amount of revenue that the
- 40 department has certified as distributive shares for that month
- 41 under section 17 of this chapter for the calendar year.
- 42 STEP THREE: Subtract the STEP ONE result from the STEP
- 43 TWO result.
- 44 STEP FOUR: If the STEP THREE result is less than or equal
- 45 to zero (0), multiply the STEP TWO result by the ratio
- 46 established under subdivision (1).
- 47 STEP FIVE: Determine the ratio of:
- 48 (A) the maximum permissible property tax levy under

IC 6-1.1-18.5 and IC 6-1.1-18.6 for each civil taxing unit for the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; divided by

(B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5 and IC 6-1.1-18.6 for all civil taxing units of the county during the calendar year in which the month falls, and an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund.

STEP SIX: If the STEP THREE result is greater than zero (0), the STEP ONE amount shall be distributed by multiplying the STEP ONE amount by the ratio established under subdivision (1).

STEP SEVEN: For each taxing unit determine the STEP FIVE ratio multiplied by the STEP TWO amount.

STEP EIGHT: For each civil taxing unit determine the difference between the STEP SEVEN amount minus the product of the STEP ONE amount multiplied by the ratio established under subdivision (1). The STEP THREE excess shall be distributed as provided in STEP NINE only to the civil taxing units that have a STEP EIGHT difference greater than or equal to zero (0).

STEP NINE: For the civil taxing units qualifying for a distribution under STEP EIGHT, each civil taxing unit's share equals the STEP THREE excess multiplied by the ratio of:

(A) the maximum permissible property tax levy under IC 6-1.1-18.5 and IC 6-1.1-18.6 for the qualifying civil taxing unit during the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; divided by

(B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5 and IC 6-1.1-18.6 for all qualifying civil taxing units of the county during the calendar year in which the month falls, and an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund.

**(c) For each year after 2005:**

**(1) the revenues to be distributed as distributive shares during each month to Center Township are distributed as additional distributive shares to the central township district (as defined in IC 36-6-4.1-2) and the Center Township distributive shares are reduced to zero (0); and**

**(2) the revenues to be distributed as distributive shares during each month to the other townships listed in subsection (1) are distributed as additional distributive shares to**

**Indianapolis/Marion County and the township distributive shares are reduced to zero (0).**

SECTION 90. IC 32-26-9-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2006]: Sec. 3. (a) A partition fence shall be built, rebuilt, and kept in repair at the cost of the property owners whose properties are enclosed or separated by the fences proportionately according to the number of rods or proportion of the fence the property owner owns along the line of the fence, whether the property owner's title is a fee simple or a life estate.

(b) If a property owner fails or refuses to compensate for building, rebuilding, or repairing the property owner's portion of a partition fence, another property owner who is interested in the fence, after having built, rebuilt, or repaired the property owner's portion of the fence, shall give to the defaulting property owner or the defaulting property owner's agent or tenant twenty (20) days notice to build, rebuild, or repair the defaulting property owner's portion of the fence. If the defaulting property owner or the defaulting property owner's agent or tenant fails to build, rebuild, or repair the fence within twenty (20) days, the complaining property owner shall notify the township trustee of the township in which the properties are located of the default.

(c) This subsection applies if the fence sought to be established, rebuilt, or repaired is on a township line. Unless disqualified under subsection (h), the complaining property owner shall notify the trustee of the township in which the property of the complaining property owner is located of the default under subsection (b), and the trustee has jurisdiction in the matter.

(d) The township trustee who receives a complaint under this section shall:

- (1) estimate the costs for building, rebuilding, or repairing the

1 partition fence; and

2 (2) within a reasonable time after receiving the complaint, make  
3 out a statement and notify the defaulting property owner of the  
4 probable cost of building, rebuilding, or repairing the fence.

5 If twenty (20) days after receiving a notice under this subsection the  
6 defaulting property owner has not built, rebuilt, or repaired the fence,  
7 the trustee shall build or repair the fence. The trustee may use only the  
8 materials for the fences that are most commonly used by the farmers of  
9 the community.

10 (e) If the trustee of a township is disqualified to act under subsection  
11 (h), the trustee of an adjoining township who resides nearest to where  
12 the fence is located shall act on the complaint upon receiving a notice  
13 by a property owner who is interested in the fence.

14 (f) A lawful partition fence is any one (1) of the following that is  
15 sufficiently tight and strong to hold cattle, hogs, horses, mules, and  
16 sheep:

17 (1) A straight board and wire fence, a straight wire fence, a  
18 straight board fence, or a picket fence four (4) feet high.

19 (2) A straight rail fence four and one-half (4 1/2) feet high.

20 (3) A worm rail fence five (5) feet high.

21 (g) This subsection applies if a ditch or creek crosses the division  
22 line between two (2) property owners, causing additional expense in the  
23 maintenance of the part over the stream. If the property owners cannot  
24 agree upon the proportionate share of each property owner, the  
25 township trustee shall appoint three (3) disinterested citizens who shall  
26 apportion the partition fence to be built by each property owner.

27 (h) If a township trustee is:

28 (1) related to any of the interested property owners; or

29 (2) an interested property owner;

33 (i) This subsection applies if a ditch or creek forms, covers, or marks  
34 the dividing line or a part of the dividing line between the properties of  
35 separate and different property owners so that partition fences required  
36 under this chapter cannot be built and maintained on the dividing line.  
37 The partition fences shall be built and maintained under this chapter as  
38 near to the boundary line as is practical, and each property owner shall  
39 build a separate partition fence on the property owner's property and  
40 maintain the fence at the property owner's cost.

41 (j) This subsection applies where a partition fence required under  
42 this chapter crosses a ditch or creek and it is impracticable to construct  
43 or maintain that portion of the fence that crosses the ditch or creek as  
44 a stationary fence. Instead of the portion of the fence that would cross  
45 the ditch or creek, there shall be constructed, as a part of the partition  
46 fence, floodgates or other similar structures that are sufficiently high,  
47 tight, and strong to turn hogs, sheep, cattle, mules, and horses or other  
48 domestic animals. The floodgates or other similar structures shall be

constructed to swing up in times of high water and to connect continuously with the partition fences.

(k) This subsection applies if the building and maintenance of the floodgates or other similar structure required under subsection (j) causes additional expenses and the property owners cannot agree upon the character of floodgates or other similar structure, or upon the proportionate share of the cost to be borne by each property owner. The township trustee, upon notice in writing from either property owner of a disagreement and the nature of the disagreement, shall appoint three (3) disinterested citizens of the township who shall determine the kind of structure and apportion the cost of the floodgate or other structure between the property owners, taking into consideration the parts of the fence being maintained by each property owner.

(l) The determination of a majority of the arbitrators of any matter or matters submitted to them under this section is final and binding on each property owner. The compensation of the arbitrators is two dollars (\$2) each, which shall be paid by the property owners in the proportion each property owner is ordered to bear the expense of a gate or structure.

(m) This subsection applies if either or both of the property owners fail to construct or compensate for constructing the structure determined upon by the arbitrators in the proportion determined within thirty (30) days after the determination. The township trustee shall proceed at once to construct the gate or structure and collect the cost of the gate or structure, including the compensation of the arbitrators, from the defaulting property owner in the same manner as is provided for ordinary partition fences. The floodgate or other structure shall be repaired, rebuilt, or replaced according to the determination of the arbitrators.

31 term of office.

32 (c) The legislative body may not alter the salaries of elected or

34 but the legislative body may add or eliminate any other position  
35 and change the salary of any other employee, if the necessary funds  
36 and appropriations are available.

37 (d) If a change in the mileage allowance paid to state officers and  
38 employees is established by July 1 of any year, that change shall be  
39 included in the compensation fixed for the executive under this  
40 section and take effect January 1 of the next year. However, the  
41 legislative body may by ordinance provide for the change in the

24 (f) After the legislative body has taken action on the executive's  
 25 estimates, it shall levy taxes for the township district funds on  
 26 property in the township district and fix rates of taxation sufficient  
 27 to provide that revenue during the next year.

28 (g) On the assessment date, as defined by IC 6-1.1-1-2, the rates  
 29 of taxation adopted under this section become a levy and a lien on  
 30 all taxable property in the township district, including property in  
 31 municipalities in the township district. The levy constitutes an  
 32 appropriation for the specific items in the executive's estimates.

33 Sec. 13. (a) The legislative body may appropriate money for  
 34 membership of the township district in county, state, or national

2 accordance with the reimbursement policy of the township district,  
3 which may include an established per diem rate, as recommended  
4 by the executive and adopted by the legislative body.

5 Sec. 14. (a) A special meeting may be held by the legislative body  
6 if the executive, the chairperson of the legislative body, or a  
7 majority of the members of the legislative body issue a written  
8 notice of the meeting to each member of the legislative body. The  
9 notice must state the time, place, and purpose of the meeting.

10 (b) At the special meeting, if a majority of the members give  
11 their consent, the legislative body may determine whether there is  
12 an emergency requiring the expenditure of money not included in  
13 the budget estimates and levy of the township district. Subject to  
14 section 15 of this chapter, if the legislative body finds that such an  
15 emergency exists, it may issue a special order, entered and signed  
16 on the record, authorizing the executive to borrow a specified  
17 amount of money sufficient to meet the emergency. At the  
18 legislative body's next annual session, the legislative body shall  
19 cover the debt created by making a levy to the credit of the fund for  
20 which the amount was borrowed under this subsection.

29 (b) The city controller of the consolidated city shall immediately  
30 certify a copy of the petition, together with other data necessary to  
31 present the questions involved, to the department of local  
32 government finance. Upon receipt of the certified petition and

34 date, time, and place for the hearing of the matter. The hearing  
35 must be held not less than five (5) and not more than thirty (30)  
36 days after the receipt of the certified documents.

37 (c) The hearing must be held in the township district where the  
38 petition arose.

39 (d) Notice of the hearing shall be given by the department of  
40 local government finance to the township district and to the first

(b) The legislative body must authorize the temporary loans by a resolution:

- (3) the place payable; and
- (4) the anticipated revenues on which they are based and out of which they are payable.

However, if the new merit system is rejected under section 4 of this chapter, within thirty (30) days the city legislative body shall adopt an ordinance to retain the prior merit system. The prior merit system remains in effect until the new merit system takes effect, after which time all members of the department are entitled to the same ranks and pay grades the members held under the prior system, subject to changes made in accordance with this chapter.

Each elected commission member must be a person of good moral character who is not an active member of a police or fire department or agency. If an ordinance was adopted under IC 36-1-4-14 before July 1, 1988, the ordinance must be amended to include this requirement.

~~(f)~~ (h) This chapter does not prevent a township or other unit that

has adopted a merit system under section 3 of this chapter from later amending or deleting any provisions of the merit system contained in this chapter. However, the merit system must include a provision under which the commission has at least one-third (1/3) of its members elected by the active members of the department, as set forth in section 8 of this chapter and a provision that incorporates the requirements of section 6(a) of this chapter. This subsection does not require the legislative body to establish a new merit system when it exercises its power to amend under this subsection.

SECTION 219. IC 36-8-7.5-10 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2006]: Sec. 10. (a) If the local board determines that the total amount of money available for a year will be insufficient to pay the benefits, pensions, and retirement allowances the local board is obligated to pay under this chapter, the local board shall, before the date on which the budget of the police special service district is adopted, prepare an itemized estimate in the form prescribed by the state board of accounts of the amount of money that will be receipted into and disbursed from the 1953 fund during the next fiscal year. The estimated receipts consist of the items enumerated in section 8 of this chapter. The estimated disbursements consist of an estimate of the amount of money that will be needed by the local board during the next fiscal year to defray the expenses and obligations incurred and that will be incurred by the local board in making the payments prescribed by this chapter to retired members, to members who are eligible and expect to retire during the ensuing fiscal year, and to the dependents of deceased members.

(b) At the time when the estimates are prepared and submitted, the local board shall also prepare and submit a certified statement showing:

(1) the estimated number of beneficiaries from the 1953 fund during the ensuing fiscal year in each of the various classifications of beneficiaries as prescribed in this chapter, and the names and amount of benefits being paid to those actively on the list of beneficiaries at that time;

(2) the name, age, and length of service of each member of the police department who is eligible to and expects to retire during the ensuing fiscal year, and the monthly and yearly amounts of the payment that the member will be entitled to receive; and

(3) the name and age of each dependent of a member of the police department who is then receiving benefits, the date on which the dependent commenced drawing benefits, and the date on which the dependent will cease to be a dependent by reason of attaining the age limit prescribed by this chapter, and the monthly and yearly amounts of the payments to which each of the dependents is entitled.

(c) After the amounts of receipts and disbursements shown in the itemized estimate are fixed and approved by the executive, fiscal officer, legislative body and other bodies, as provided by law for other municipal funds, the total receipts shall be deducted from the total expenditures stated in the itemized estimate, and the amount of the excess shall be paid by the police special service district in the same manner as other expenses of the district are paid. The legislative body shall levy a tax ~~and in the police special service district in the amount and at the rate that is necessary to produce sufficient revenue to pay the deficit described in subsection (a). This levy is in addition to the levy, if any, in the police special service district to pay operational expenses of the metropolitan law enforcement agency under IC 36-8-10.1-17. The part of the money derived from the levy equal to the deficit shall, when collected, be credited exclusively to the 1953 fund. The tax shall be levied in the amount and at the rate that is necessary to produce sufficient revenue to equal the deficit.~~ Notwithstanding any other law, neither the county board of tax adjustment nor the department of local government finance may reduce the **part of the tax levy equal to the deficit.**

SECTION 220. IC 36-8-7.5-12 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2006]: Sec. 12. (a) Benefits paid under this section are subject to section 1.5 of this chapter.

(b) The 1953 fund shall be used to provide a member of the police department who retires from active duty after twenty (20) or more years of active duty an annual pension equal to fifty percent (50%) of the salary of a first class patrolman in the police department, plus:

The pensions shall be computed on an annual basis but shall be paid in twelve (12) equal monthly installments. If the salary of a first class patrolman is increased or

decreased, the pension payable shall be proportionately increased or decreased.

(c) If a member retires upon his voluntary application after twenty (20) years or more of active service, he then relinquishes all rights to other benefits or pensions for disability during the time of his retirement.

(d) After retirement the member is not required to render further services on the police department and is no longer subject to the rules of the police department, unless a national emergency has been declared by the local board, on application by the executive, ~~the safety board, and the police chief of the city; the sheriff, or the chief of the metropolitan law enforcement agency.~~ Upon declaration of such an emergency, the retired member, if physically able, shall return to active duty under the rank he attained at the time of his retirement, and if he refuses to return to active duty upon being declared physically fit, he forfeits his right to receive his pension until the time he returns to active duty and again is retired or discharged from service.

 12 powers of a law enforcement officer. During the term of ~~his~~ **the**

 15 the powers, privileges, and duties of a county police officer under this  
 16 chapter, subject to any written limitations and specific requirements  
 17 imposed by the sheriff and signed by the special deputy. A special

SECTION 229. IC 36-8-10-12 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2006]: Sec. 12. (a) The department and a trustee may establish and operate an actuarially sound pension trust as a retirement plan for the exclusive benefit of the employee beneficiaries. However, a department and a trustee may not establish or modify a retirement plan after June 30, 1989, without the approval of the county fiscal body which shall not reduce or diminish any benefits of the employee beneficiaries set forth in any retirement plan that was in effect on January 1, 1989.

(b) The normal retirement age may be earlier but not later than the age of seventy (70). However, the sheriff may retire an employee who is otherwise eligible for retirement if the board finds that the employee is not physically or mentally capable of performing the employee's duties.

(c) Joint contributions shall be made to the trust fund:

(1) either by:

(A) the department through a general appropriation provided to the department;

(B) a line item appropriation directly to the trust fund; or

(C) both; and

(2) by an employee beneficiary through authorized monthly deductions from the employee beneficiary's salary or wages. However, the employer may pay all or a part of the contribution for the employee beneficiary.

Contributions through an appropriation are not required for plans established or modifications adopted after June 30, 1989, unless the establishment or modification is approved by the county fiscal body.

~~(d) For a county not having a consolidated city, The monthly deductions from an employee beneficiary's wages for the trust fund may not exceed six percent (6%) of the employee beneficiary's average monthly wages. For a county having a consolidated city, the monthly deductions from an employee beneficiary's wages for the trust fund may not exceed seven percent (7%) of the employee beneficiary's average monthly wages.~~

(e) The minimum annual contribution by the department must be sufficient, as determined by the pension engineers, to prevent deterioration in the actuarial status of the trust fund during that year. If the department fails to make minimum contributions for three (3) successive years, the pension trust terminates and the trust fund shall be liquidated.

1 (f) If during liquidation all expenses of the pension trust are paid,  
2 adequate provision must be made for continuing pension payments to  
3 retired persons. Each employee beneficiary is entitled to receive the net  
4 amount paid into the trust fund from the employee beneficiary's wages,  
5 and any remaining sum shall be equitably divided among employee  
6 beneficiaries in proportion to the net amount paid from their wages into  
7 the trust fund.

8 (g) If a person ceases to be an employee beneficiary because of  
9 death, disability, unemployment, retirement, or other reason, the person,  
10 the person's beneficiary, or the person's estate is entitled to receive at  
11 least the net amount paid into the trust fund from the person's wages,  
12 either in a lump sum or monthly installments not less than the person's  
13 pension amount.

14 (h) If an employee beneficiary is retired for old age, the employee  
15 beneficiary is entitled to receive a monthly income in the proper  
16 amount of the employee beneficiary's pension during the employee  
17 beneficiary's lifetime.

18 (i) To be entitled to the full amount of the employee beneficiary's  
19 pension classification, an employee beneficiary must have contributed  
20 at least twenty (20) years of service to the department before retirement.  
21 Otherwise, the employee beneficiary is entitled to receive a pension  
22 proportional to the length of the employee beneficiary's service.

23 (j) This subsection does not apply to a county that adopts an  
24 ordinance under section 12.1 of this chapter. For an employee  
25 beneficiary who retires before January 1, 1985, a monthly pension may  
26 not exceed by more than twenty dollars (\$20) one-half (1/2) the amount  
27 of the average monthly wage received during the highest paid five (5)  
28 years before retirement. However, in counties where the fiscal body  
29 approves the increases, the maximum monthly pension for an employee  
30 beneficiary who retires after December 31, 1984, may be increased by  
31 no more or no less than two percent (2%) of that average monthly wage  
32 for each year of service over twenty (20) years to a maximum of  
33 seventy-four percent (74%) of that average monthly wage plus twenty  
34 dollars (\$20). For the purposes of determining the amount of an  
35 increase in the maximum monthly pension approved by the fiscal body  
36 for an employee beneficiary who retires after December 31, 1984, the  
37 fiscal body may determine that the employee beneficiary's years of  
38 service include the years of service with the sheriff's department that  
39 occurred before the effective date of the pension trust. For an employee  
40 beneficiary who retires after June 30, 1996, the average monthly wage  
41 used to determine the employee beneficiary's pension benefits may not  
42 exceed the monthly minimum salary that a full-time prosecuting  
43 attorney was entitled to be paid by the state at the time the employee  
44 beneficiary retires.

45 (k) The trust fund may not be commingled with other funds, except  
46 as provided in this chapter, and may be invested only in accordance  
47 with statutes for investment of trust funds, including other investments  
48 that are specifically designated in the trust agreement.

(l) The trustee receives and holds as trustee all money paid to it as trustee by the department, the employee beneficiaries, or by other persons for the uses stated in the trust agreement.

(m) The trustee shall engage pension engineers to supervise and assist in the technical operation of the pension trust in order that there is no deterioration in the actuarial status of the plan.

(n) Within ninety (90) days after the close of each fiscal year the trustee, with the aid of the pension engineers, shall prepare and file an annual report with the department and the state insurance department. The report must include the following:

(1) Schedule 1. Receipts and disbursements.

(2) Schedule 2. Assets of the pension trust listing investments by book value and current market value as of the end of the fiscal year.

(3) Schedule 3. List of terminations, showing the cause and amount of refund.

(4) Schedule 4. The application of actuarially computed "reserve factors" to the payroll data properly classified for the purpose of computing the reserve liability of the trust fund as of the end of the fiscal year.

(5) Schedule 5. The application of actuarially computed "current liability factors" to the payroll data properly classified for the purpose of computing the liability of the trust fund as of the end of the fiscal year.

(o) No part of the corpus or income of the trust fund may be used or diverted to any purpose other than the exclusive benefit of the members and the beneficiaries of the members.

 11 sheriff, the board shall, upon the expiration of the person's term as  
 12 sheriff, appoint the person to the rank for which the person has

 14 that rank.

15 Sec. 29. (a) Subject to the approval of the commission, the sheriff

 32 the chief, appoint the person to the rank for which the person has  
 33 qualified under the promotion procedure, if there is a vacancy in  
 34 that rank.

35 Sec. 30. (a) Each member of the metropolitan law enforcement

4 Sec. 31. (a) Except for:

- 5 (1) the chief deputy;
- 6 (2) the prison matron; and
- 7 (3) temporary administrative ranks or positions established
- 8 and appointed by the sheriff;

9 the sheriff, with the approval of the commission, shall establish a  
10 classification of ranks, grades, and positions for members of the  
11 metropolitan law enforcement agency.

12 (b) For each rank, grade, and position, the sheriff, with the  
13 approval of the board, shall:

- 14 (1) set reasonable standards of qualifications; and
- 15 (2) fix the prerequisites of:
  - 16 (A) training;
  - 17 (B) education; and
  - 18 (C) experience.

19 (c) The sheriff, with the approval of the board, shall devise and  
20 administer examinations designed to test applicants for the  
21 qualifications required for the respective ranks, grades, or  
22 positions. After these examinations, the sheriff and the board shall  
23 jointly prepare a list naming only those applicants who, in the  
24 opinion of both the sheriff and the board, best meet the prescribed  
25 standards and prerequisites. The sheriff only appoints members of  
26 the metropolitan law enforcement agency from among the persons  
27 whose names appear on this list. All members appointed to the  
28 metropolitan law enforcement agency under this chapter are on  
29 probation for one (1) year after the date of appointment.

30 (d) The sheriff, in the sheriff's sole discretion, may:

- 31 (1) establish a temporary administrative rank or position
- 32 within the agency; and

- 34 rank or position a member of the metropolitan law
- 35 enforcement agency who meets the requirements in subsection

39 before the appointment and holds the merit rank of at least  
40 lieutenant is eligible for appointment to a temporary administrative  
41 rank or position described in subsection (d). A member retains the  
42 rank, grade, or position awarded under subsection (c) while serving  
43 in a temporary administrative rank or position. A temporary  
44 administrative rank or position established under subsection (d)  
45 does not diminish or reduce the number and classifications of the  
46 existing merit ranks within the metropolitan law enforcement  
47 agency. Subsection (d) and this subsection may not be construed to

limit, modify, annul, or otherwise affect a collective bargaining agreement.

(f) The sheriff, with the approval of the board, shall establish written rules and regulations governing the discipline of members of the metropolitan law enforcement agency. Rules and regulations established by a sheriff under this subsection must conform to the disciplinary procedure required by section 34 of this chapter.

Sec. 32. (a) Except as provided in subsection (b), the board shall give a preference for employment according to the following priority:

(1) A war veteran who has been honorably discharged from the United States armed forces.

(2) A person whose mother or father was a:

(A) firefighter of a unit;

(B) municipal police officer;

(C) county police officer; or

(D) member of the metropolitan law enforcement agency; who died in the line of duty (as defined in IC 5-10-10-2).

(b) A person described in subsection (a) may not receive a preference for employment unless the person:

(1) applies; and

(2) meets all employment requirements prescribed by:

(A) law, including physical and age requirements; and

(B) the metropolitan law enforcement agency.

Sec. 33. (a) The sheriff may appoint as a special deputy any person who is employed by:

(1) a governmental entity (as defined in IC 35-41-1); or

(2) a private employer;

if the nature of the employment necessitates that the person have the powers of a law enforcement officer.

(b) During the term of a special deputy's appointment and while the special deputy is fulfilling the specific responsibilities for which the appointment is made, a special deputy has the powers, privileges, and duties of a member of the metropolitan law enforcement agency under this chapter, subject to any written limitations and specific requirements imposed by the sheriff and signed by the special deputy.

(c) A special deputy is subject to the direction of the sheriff and shall obey the rules and orders of the department.

(d) A special deputy may be removed by the sheriff at any time, without the sheriff providing notice or assigning any cause.

(e) The sheriff shall fix the prerequisites of training, education, and experience for special deputies, subject to the minimum requirements prescribed by this subsection. Applicants must:

(1) be at least twenty-one (21) years of age;

(2) never have been convicted of:

(A) a felony; or

- (B) a misdemeanor involving moral turpitude;
- (3) be of good moral character; and
- (4) have sufficient training to insure the proper performance of their authorized duties.

(f) Except as provided in subsection (g), a special deputy shall wear a uniform the design and color of which is easily distinguishable from the uniforms of the Indiana state police, the metropolitan law enforcement agency, and all municipal police and fire forces located in the county.

(g) The sheriff may permit a special deputy to wear the uniform of the metropolitan law enforcement agency if the special deputy:

- (1) has successfully completed the minimum basic training requirements under IC 5-2-1;
- (2) is periodically assigned by the sheriff to duties of a member of the metropolitan law enforcement agency; and
- (3) is an employee of the metropolitan law enforcement agency.

The sheriff may revoke permission for the special deputy to wear the uniform of the metropolitan law enforcement agency at any time without cause or notice.

(h) The sheriff may also appoint one (1) legal deputy, who must be a member of the Indiana bar. The legal deputy does not have police powers. The legal deputy may continue to practice law. Neither the legal deputy nor any attorney in partnership with the legal deputy may represent a defendant in a criminal case.

(i) The sheriff, for the purpose of guarding prisoners in the county jail, shall appoint only special deputies to serve as county jail guards. This subsection does not affect the rights or liabilities accrued by any county police officer assigned to guard the jail before August 31, 1982.

Sec. 34. (a) The sheriff may dismiss, demote, or temporarily suspend a member of the metropolitan law enforcement agency for cause after giving the member written notice of the charges and after a fair public hearing before the board. The decision of the board is reviewable in the superior court of the county. Written notice of the charges and hearing must be delivered by certified mail to the member to be disciplined at least fourteen (14) days before the date set for the hearing. The member may be represented by counsel. The board shall make specific findings of fact in writing to support its decision.

(b) The sheriff may temporarily suspend a member with or without pay for a period not to exceed fifteen (15) days without a hearing before the board. Before suspending a member under this subsection, the sheriff shall give the member written notice of the charges of misconduct.

(c) A member of the metropolitan law enforcement agency may not be dismissed, demoted, or temporarily suspended because of

1 political affiliation nor after the member's probationary period,  
2 except as provided in this section.

3 (d) A member of the metropolitan law enforcement agency may:

4 (1) be a candidate for elective office and serve in that office if  
5 elected;

6 (2) be appointed to an office and serve in that office if  
7 appointed; and

8 (3) except when in uniform or on duty, solicit votes or  
9 campaign funds for the member or others.

10 (e) A member on probation may be dismissed by the sheriff  
11 without the right to a hearing.

12 (f) The board has subpoena powers enforceable by the superior  
13 court of the county for hearings under this section.

14 (g) An appeal under subsection (a) is taken by filing in court, not  
15 later than thirty (30) days after the date the decision is rendered,  
16 a verified complaint stating in a concise manner the general nature  
17 of the charges against the member of the metropolitan law  
18 enforcement agency, the decision of the board, and a demand for  
19 the relief asserted by the member.

20 (h) The member must also file a bond that:

21 (1) guarantees the appeal will be prosecuted to a final  
22 determination; and

23 (2) the plaintiff will pay all costs only if the court finds that the  
24 board's decision should be affirmed.

25 The bond must be approved as bonds for costs are approved in  
26 other cases.

27 (i) The county must be named as the sole defendant and the  
28 plaintiff shall have a summons issued as in other cases against the  
29 county. The:

30 (1) board;

31 (2) members of the board individually;

32 (3) commission; or

33 (4) members of the commission individually;

34 are not parties defendant to the complaint, but all are bound by  
35 service upon the county and the judgment rendered by the court.

36 (j) The court tries all appeals. An appeal is heard de novo only  
37 if there are new issues related to the charges upon which the board  
38 based its decision. Within ten (10) days after the service of  
39 summons, the board shall file in court a complete written transcript  
40 of the papers, entries, and other parts of the record relating to the  
41 case being appealed. The board, if requested to do so, must permit  
42 the person affected, or the person's agent, to inspect these  
43 documents before the appeal is filed. The court shall review the  
44 record and decision of the board on appeal.

45 (k) The court shall make specific findings and state the  
46 conclusions of law upon which its decision is made. If the court  
47 finds that the decision of the board should in all respects be

1 affirmed, its judgment should state the court's finding. If the court  
 2 finds that the decision of the board should not, in all respects, be  
 3 affirmed, the court shall make a general finding, setting out  
 4 sufficient facts to show the nature of the proceeding and the court's  
 5 decision. The court shall either:

6 (1) reverse the decision of the board; or

7 (2) order the decision of the board to be modified.

8 (l) The final judgment of the court may be appealed by either  
 9 party. Upon the final disposition of the appeal by the courts, the  
 10 clerk shall certify to the board the final judgment of the court and  
 11 file a copy of the judgment with the board, which shall conform its  
 12 decisions and records to the order and judgment of the court. If the  
 13 decision is reversed or modified, the board shall pay to the  
 14 prevailing party any salary or wages:

15 (1) that were withheld from the party pending the appeal; and

16 (2) to which the party is entitled under the judgment of the  
 17 court.

18 (m) Either party is allowed a change of venue from the court or  
 19 a change of judge in the same manner as those changes are allowed  
 20 in civil cases. The rules of trial procedure govern in all matters of  
 21 procedure during the appeal that are not otherwise provided for by  
 22 this section.

23 (n) An appeal takes precedence over other pending litigation,  
 24 and the court shall try and determine the appeal as soon as  
 25 practical.

26 Sec. 35. (a) As used in this section, "appointing authority"  
 27 means the sheriff and the board.

28 (b) When it is necessary for financial reasons for the appointing  
 29 authority to reduce by layoff the number of members of the  
 30 metropolitan law enforcement agency, members are laid off in  
 31 reverse hiring order, with the last member appointed to the agency  
 32 being the first to be laid off, until the desired level of employment  
 33 is achieved.

34 (c) If the metropolitan law enforcement agency's membership is  
 35 increased, the members of the agency who have been laid off under  
 36 subsection (b) are reinstated before any new member is appointed  
 37 to the agency. Members are reinstated in reverse of the order in  
 38 which the members were laid off with the last member laid off from  
 39 the agency being the first to be reinstated.

40 (d) A member who is laid off shall keep the appointing authority  
 41 advised of the member's current address. The appointing authority  
 42 shall inform a member of the member's reinstatement by written  
 43 notice sent by certified mail to the member's last known address.

44 (e) Not later than twenty (20) calendar days after the date the  
 45 notice of reinstatement is sent under subsection (d), the member  
 46 shall advise the appointing authority whether the member:

47 (1) accepts reinstatement; and

(2) will commence employment on the date specified in the notice.

(f) All reinstatement rights granted to a member under this section terminate on the earlier of:

- (1) the date the member fails to accept reinstatement within the time specified in subsection (e); or
- (2) three (3) years after the date on which a member's layoff begins.

Sec. 36. (a) As used in this section, "care" includes:

- (1) medical and surgical care;
- (2) medicines and laboratory, curative, and palliative agents and means;
- (3) X-ray, diagnostic, and therapeutic service, including service during the recovery period; and
- (4) hospital and special nursing care if the physician or surgeon in charge considers it necessary for proper recovery.

(b) After deducting expenditures paid by an insurance or worker's compensation program, the county shall pay for the care of the following persons:

(1) A member of the metropolitan law enforcement agency who:

- (A) suffers an injury; or
- (B) contracts an illness;

while the member is on duty or while the member is off duty and is responding to an offense or a reported offense.

(2) A jail employee who:

- (A) suffers an injury; or
- (B) contracts an illness;

while the employee is on duty.

(c) The county shall pay the expenditures required by subsection (b) from the general fund of the county.

Sec. 37. (a) This section does not apply to a member of the metropolitan law enforcement agency who is appointed after December 31, 2005.

(b) Before January 1, 2006, the department shall amend the pension trust established and operated under IC 36-8-10-12 to provide that, effective January 1, 2006, the pension trust is operated under this chapter. The department and the trustee may not modify the pension trust under this section without the approval of the city-county legislative body, which shall not reduce or diminish the benefits of the employee beneficiaries set forth in the pension trust.

(c) After December 31, 2005, the department and the trustee shall continue to operate in an actuarially sound manner the pension trust for the exclusive benefit of the employee beneficiaries.

Sec. 38. (a) The normal retirement age for an employee beneficiary may not be later than seventy (70) years of age.

1       (b) The sheriff may retire an employee beneficiary who is  
 2 otherwise eligible for retirement if the board finds that the  
 3 employee beneficiary is not physically or mentally capable of  
 4 performing the employee beneficiary's duties.

5       (c) Contributions to the trust fund are made by:

6       (1) the department through:

7           (A) a general appropriation provided to the department;

8           (B) a line item appropriation directly to the trust fund; or

9           (C) both; and

10       (2) an employee beneficiary through authorized monthly  
 11 deductions from the employee beneficiary's salary or wages.

12       The department may pay all or a part of the contribution for  
 13 the employee beneficiary.

14       Contributions through an appropriation are not required for  
 15 modifications adopted after June 30, 1989, unless the modification  
 16 is approved by the city-county legislative body.

17       (d) The monthly deductions from an employee beneficiary's  
 18 wages for the trust fund may not exceed seven percent (7%) of the  
 19 employee beneficiary's average monthly wages.

20       (e) The department's minimum annual contribution must be  
 21 sufficient, as determined by the pension engineers, so that the  
 22 actuarial status of the trust fund does not deteriorate during that  
 23 year. If the minimum contributions are not made for three (3)  
 24 successive years, the pension trust terminates and the trust fund is  
 25 liquidated.

26       (f) If all expenses of the pension trust are paid during  
 27 liquidation, adequate provision must be made for continuing  
 28 pension payments to retired employee beneficiaries. Each employee  
 29 beneficiary is entitled to receive the net amount paid into the trust  
 30 fund from the employee beneficiary's wages. Any remaining  
 31 amount must be equitably divided among employee beneficiaries  
 32 in proportion to the net amount each employee beneficiary paid  
 33 into the trust fund from the employee beneficiary's wages.

34       (g) If a person is no longer an employee beneficiary because the  
 35 person dies, becomes disabled, leaves employment with the  
 36 department before retirement, retires, or is no longer an employee  
 37 beneficiary for any other reason:

38           (1) the person;

39           (2) the person's beneficiary; or

40           (3) the person's estate;

41       is entitled to receive at least the net amount paid into the trust fund  
 42 from the person's wages, either in a lump sum or in monthly  
 43 installments not less than the amount the person is entitled to  
 44 receive as a pension.

45       (h) If an employee beneficiary reaches the normal retirement  
 46 age for the employee beneficiary, the employee beneficiary is  
 47 entitled to receive during the employee beneficiary's lifetime a

1 pension in a monthly amount calculated under subsections (i)  
2 through (m).

3 (i) To receive an unreduced pension amount, an employee  
4 beneficiary must have contributed at least twenty (20) years of  
5 service to the department before retirement. If the employee  
6 beneficiary's service to the department is less than twenty (20)  
7 years, the employee beneficiary is entitled to receive a pension  
8 proportional to the length of the employee beneficiary's service.

9 (j) For an employee beneficiary who retired before January 1,  
10 1985, a monthly pension may not exceed by more than twenty  
11 dollars (\$20) one-half (1/2) the amount of the average monthly  
12 wage received by the employee beneficiary during the highest paid  
13 five (5) years before retirement.

14 (k) For an employee beneficiary who retires after December 31,  
15 1984, the monthly pension described in subsection (j) may be  
16 increased by two percent (2%) of the employee beneficiary's  
17 average monthly wage for each year of service over twenty (20)  
18 years contributed by the employee beneficiary to a maximum of  
19 seventy-four percent (74%) of the employee beneficiary's average  
20 monthly wage plus twenty dollars (\$20).

21 (l) For purposes of determining the amount of an increase in the  
22 monthly pension under subsection (k) approved by the city-county  
23 legislative body for an employee beneficiary who retires after  
24 December 31, 1984, the city-county legislative body may determine  
25 that the employee beneficiary's years of service include the years of  
26 service with the department that occurred before the effective date  
27 of the pension trust.

28 (m) For an employee beneficiary who retires after June 30, 1996,  
29 the average monthly wage used to determine the employee  
30 beneficiary's pension benefits may not exceed the monthly  
31 minimum salary paid by the state to a full-time prosecuting  
32 attorney at the time the employee beneficiary retires.

33 (n) For an employee beneficiary who retires after June 30, 1997,  
34 an employee beneficiary's monthly pension may not exceed twenty  
35 dollars (\$20) plus one-half (1/2) the amount of the average monthly  
36 wage. As used in this subsection, "average monthly wage" means  
37 the lesser of:

38 (1) the average monthly wage received by the employee  
39 beneficiary during the highest paid three (3) years before  
40 retirement; or

41 (2) the monthly minimum salary that a full-time prosecuting  
42 attorney is entitled to be paid by the state at the time the  
43 employee beneficiary retires.

44 (o) For an employee beneficiary who retires after June 30, 1997,  
45 the county fiscal body may approve an increase in the maximum  
46 monthly pension described in subsection (n). The maximum  
47 monthly pension may:

(1) be increased by one percent (1%) of the average monthly wage for each six (6) months of service after twenty (20) years; and

(2) not exceed seventy-four percent (74%) of the average monthly wage plus twenty dollars (\$20).

(p) The trust fund may not be commingled with other funds, except as provided in this chapter, and may be invested only in accordance with statutes for investment of trust funds, including other investments that are specifically designated in the trust agreement.

(q) The trustee receives and holds as trustee all money paid to it as trustee by the department, the employee beneficiaries, or by other persons for the uses stated in the trust agreement.

(r) The trustee shall engage pension engineers to supervise and assist in the technical operation of the pension trust in order that there is no deterioration in the actuarial status of the trust fund.

(s) Not later than ninety (90) days after the close of each fiscal year, the trustee, with the aid of the pension engineers, shall prepare and file an annual report with the department and the state insurance department. The report must include the following:

(1) Schedule 1. Receipts and disbursements.

(2) Schedule 2. Assets of the pension trust listing investments by book value and current market value as of the end of the fiscal year.

(3) Schedule 3. List of terminations, showing the cause and amount of refund.

(4) Schedule 4. The application of actuarially computed "reserve factors" to the payroll data properly classified for the purpose of computing the reserve liability of the trust fund as of the end of the fiscal year.

(5) Schedule 5. The application of actuarially computed "current liability factors" to the payroll data properly classified for the purpose of computing the liability of the trust fund as of the end of the fiscal year.

(t) No part of the corpus or income of the trust fund may be used or diverted to any purpose other than the exclusive benefit of the members and the beneficiaries of the members.

Sec. 39. This section applies to a sheriff who is an eligible employee under this chapter and is not a member of the 1977 fund. The sheriff may participate in the pension trust in the same manner as a county police officer who is an eligible employee under this chapter. In addition, a sheriff who does not participate in the pension trust may make a payment to the pension trust equal to the total contributions the sheriff would have paid had the sheriff been participating in the pension trust while a sheriff, plus interest at three percent (3%) compounded annually. A sheriff who makes this payment is entitled to credit for the years of service as sheriff

1 for all purposes of the pension trust.

2 Sec. 40. (a) The department may establish and operate a death  
3 benefit program for the payment of death benefits to deceased  
4 employee beneficiaries. The department may provide these benefits  
5 by:

- 6 (1) creating a reserve account;
- 7 (2) obtaining group life insurance; or
- 8 (3) both subdivisions (1) and (2).

9 The department may not establish or modify a death benefit  
10 program without the approval of the city-county legislative body.

11 (b) Benefits payable under a group life insurance policy  
12 established under subsection (a) must be in reasonable amounts.  
13 Benefits payable from a reserve account established under  
14 subsection (a) may not exceed twenty-five thousand dollars  
15 (\$25,000).

16 Sec. 41. (a) The department may establish and operate a  
17 disability benefit program for the payment of disability expense  
18 reimbursement and pensions to disabled employee beneficiaries.  
19 The department may provide these benefits by:

- 20 (1) creating a reserve account;
- 21 (2) obtaining disability insurance coverage; or
- 22 (3) both subdivisions (1) and (2).

23 The department may not establish or modify a disability benefit  
24 program without the approval of the city-county legislative body.

25 (b) Benefits payable as a result of line of duty activities,  
26 including a disability presumed incurred in the line of duty under  
27 IC 5-10-13, must be in reasonable amounts. Monthly benefits  
28 payable as a result of other activities may not exceed the amount of  
29 the pension to which the employee beneficiary would have been  
30 entitled had the employee beneficiary been employed by the  
31 department until normal retirement age.

32 Sec. 42. (a) The department may establish and operate a  
33 dependent's pension benefit for the payment of pensions to  
34 dependent parents, surviving spouses, and dependent children less  
35 than eighteen (18) years of age of former employee beneficiaries.  
36 The department may provide these benefits by:

- 37 (1) creating a reserve account;
- 38 (2) obtaining appropriate insurance coverage; or
- 39 (3) both subdivisions (1) and (2).

40 The department may not establish or modify a dependent's pension  
41 benefit without the approval of the city-county legislative body,  
42 which shall not reduce or diminish any dependent's pension  
43 benefits that were in effect on January 1, 1989.

44 (b) This subsection applies to survivors of employee beneficiaries  
45 who:

- 46 (1) died before January 1, 1990; and
- 47 (2) were covered by a dependent's pension benefit plan.

1 The maximum monthly pension payable to dependent parents or  
 2 surviving spouses may not exceed two hundred dollars (\$200) per  
 3 month during the parent's or the spouse's lifetime if the spouse did  
 4 not remarry before September 1, 1984. If the surviving spouse  
 5 remarried before September 1, 1984, benefits ceased on the date of  
 6 remarriage. The maximum monthly pension payable to dependent  
 7 children is thirty dollars (\$30) per child and ceases with the last  
 8 payment before the child becomes eighteen (18) years of age. The  
 9 county fiscal body may by ordinance provide an increase in the  
 10 monthly pension of survivors, but the monthly pension that is  
 11 provided under this subsection may not exceed the monthly pension  
 12 that is provided to survivors whose monthly pensions are  
 13 determined under subsection (c).

14 (c) This subsection applies to survivors of employee beneficiaries  
 15 who:

16 (1) died after December 31, 1989; and

17 (2) were covered by a dependent's pension benefit plan.

18 The monthly pension payable to dependent parents or surviving  
 19 spouses must be at least two hundred dollars (\$200) for each month  
 20 during the parent's or the spouse's lifetime or until the spouse  
 21 remarries. The monthly pension payable to each dependent child  
 22 must be at least thirty dollars (\$30) for each child and ceases with  
 23 the last payment made in the month before the child becomes  
 24 eighteen (18) years of age.

25 (d) To be eligible for a benefit under this section, the surviving  
 26 spouse of an employee beneficiary who dies after August 31, 1984,  
 27 must have been married to the employee beneficiary at the time of  
 28 the employee beneficiary's retirement or death in service.

29 Sec. 43. (a) The city-county legislative body may provide to  
 30 eligible retired employee beneficiaries or eligible disabled employee  
 31 beneficiaries, or both:

32 (1) an annual cost of living payment; or

33 (2) an ad hoc cost of living payment. The amount of the ad hoc  
 34 cost of living payment under this subdivision is not an increase  
 35 in the base pension benefit calculated under section 38 of this  
 36 chapter.

37 (b) In the case of an annual cost of living payment granted  
 38 under subsection (a)(1), the pension engineers shall determine each  
 39 year the amount of the payment under this subsection. The pension  
 40 engineers shall determine if there has been an increase in the  
 41 Consumer Price Index (United States city average) prepared by the  
 42 United States Department of Labor by comparing the arithmetic  
 43 mean of the Consumer Price Index for January, February, and  
 44 March of the payment year with the same three (3) month period  
 45 of the preceding year. If there has been an increase, the increase is  
 46 stated as a percentage of the arithmetic mean for the three (3)  
 47 month period for the year preceding the payment year (the

adjustment percentage). The adjustment percentage is rounded to the nearest one-tenth of one percent (0.1%) and may not exceed three percent (3%).

(c) In the case of a cost of living payment granted under subsection (a)(2), the amount of the cost of living payment is determined by the city-county legislative body and may be:

- (1) a percentage increase, not to exceed the percentage determined under subsection (b); or
- (2) a fixed dollar amount.

(d) A payment authorized under this section is made to each authorized retired or disabled employee beneficiary and may be made annually, semiannually, quarterly, or monthly.

(e) A cost of living payment granted under this section must be funded by a direct appropriation or by maintaining a fully funded actuarially sound trust fund.

(f) A cost of living payment granted under this section is applicable only to retired or disabled employee beneficiaries who are at least fifty-five (55) years of age.

(g) No provision of this section may be part of an ordinance or agreement concerning collective bargaining. No provision of this section may be subject to bargaining under any statute, ordinance, or agreement.

Sec. 44. (a) As used in this section, "dies in the line of duty" has the meaning set forth in IC 5-10-10-2.

(b) This section applies to the survivors of an eligible employee who dies in the line of duty.

(c) The department shall offer to provide and pay for health insurance coverage for the eligible employee's surviving spouse and for each natural child, stepchild, or adopted child of the eligible employee:

- (1) until the child becomes eighteen (18) years of age;
- (2) until the child becomes twenty-three (23) years of age, if the child is enrolled in and regularly attending a secondary school or is a full-time student at an accredited college or university; or
- (3) during the entire period of the child's physical or mental disability;

whichever period is longest. If health insurance coverage is offered by the county to an eligible employee, the health insurance provided to a surviving spouse or child under this subsection must be equal in coverage to that offered to an eligible employee. The offer to provide and pay for health insurance coverage must remain open for as long as there is a surviving spouse or as long as a natural child, a stepchild, or an adopted child of the eligible employee is eligible for coverage under subdivision (1), (2), or (3).

Sec. 45. (a) The death benefit, the disability benefit, and the dependents' pension may be operated as one (1) fund, known as the

1 police benefit fund, under the terms of a supplementary trust  
2 agreement between the department and the trustee for the  
3 exclusive benefit of employee beneficiaries and their dependents.

4 (b) The trustee receives and holds as trustee for the uses and  
5 purposes set out in the supplementary trust agreement all money  
6 paid to it as trustee by the department or by other persons.

7 (c) The trustee may, under the terms of the supplementary trust  
8 agreement, pay the necessary premiums for insurance, pay  
9 benefits, or pay both as provided by this chapter.

10 (d) The trustee shall hold, invest, and reinvest the police benefit  
11 fund in investments that are permitted by statute for the  
12 investment of trust funds and other investments that are  
13 specifically designated in the supplementary trust agreement.

14 (e) Within ninety (90) days after the close of the fiscal year, the  
15 trustee, with the assistance of the pension engineers, shall prepare  
16 and file with the department and the state insurance department a  
17 detailed annual report showing receipts, disbursements, and case  
18 histories, and making recommendations regarding the necessary  
19 contributions required to keep the program in operation.

20 Contributions by:

21 (1) the county police force before January 1, 2006; and

22 (2) the metropolitan law enforcement agency after December  
23 31, 2005;

24 are provided in the general appropriations to the department.  
25 However, these contributions are not required for modifications  
26 made after January 1, 1989, unless the modifications were  
27 approved by the city-county legislative body.

28 Sec. 46. (a) A person entitled to an interest in or a share of a  
29 pension or benefit from the trust funds may not, before the actual  
30 payment:

31 (1) anticipate;

32 (2) sell;

33 (3) assign;

34 (4) pledge;

35 (5) mortgage; or

36 (6) otherwise dispose of or encumber;

37 the person's interest or share.

38 (b) In addition, a person's interest, share, pension, or benefit is  
39 not, before the actual payment:

40 (1) liable for the debts or liabilities of the person;

41 (2) subject to attachment, garnishment, levy, or sale on  
42 judicial proceedings; or

43 (3) transferable, voluntarily or involuntarily.

44 (c) The trustee may expend the sums from the funds that the  
45 trustee considers proper for necessary expenses.

46 Sec. 47. (a) The state examiner of the state board of accounts  
47 shall fix the exact amount per meal that the sheriff receives for

1 feeding the prisoners in the sheriff's custody. Subject to the  
 2 maximum meal allowance provided in this section, the state  
 3 examiner shall increase the amount per meal that the sheriff  
 4 receives as follows:

5 (1) Increase the amount per meal by a percentage that does  
 6 not exceed the percent of increase in the United States  
 7 Department of Labor Consumer Price Index during the year  
 8 preceding the year in which an increase is established.

9 (2) Increase the amount per meal above the amount  
 10 determined under subdivision (1) if the sheriff furnishes to the  
 11 state examiner sufficient documentation to prove that the  
 12 sheriff cannot provide meals at the amount per meal that is  
 13 determined under subdivision (1).

14 The amount must be fixed by April 15 each year and takes effect  
 15 immediately upon approval. The allowance may not exceed two  
 16 dollars (\$2) per person per meal. The allowance shall be paid out  
 17 of the general fund of the county after the sheriff submits to the  
 18 mayor an itemized statement, under oath, showing the names of the  
 19 prisoners, the date that each was imprisoned in the county jail, and  
 20 the number of meals served to each prisoner.

21 (b) Notwithstanding subsection (a), IC 36-2-13-2.5(b)(4) through  
 22 IC 36-2-13-2.5(b)(5), and IC 36-2-13-2.8(b), the county shall pay to  
 23 feed the county prisoners through an appropriation in the usual  
 24 manner by the city-county legislative body. The appropriation shall  
 25 be expended by the sheriff under the direction of the mayor.  
 26 Neither the sheriff nor the sheriff's officers, deputies, or employees  
 27 may make a profit as a result of the appropriation.

28 Sec. 48. (a) A jail commissary fund is established, referred to in  
 29 this section as "the fund". The fund is separate from the general  
 30 fund, and money in the fund does not revert to the general fund.

31 (b) The sheriff, or the sheriff's designee, shall deposit all money  
 32 from commissary sales into the fund, which the sheriff shall keep  
 33 in a depository designated under IC 5-13-8.

34 (c) The sheriff, or the sheriff's designee, at the sheriff's  
 35 discretion and without appropriation by the city-county legislative  
 36 body, may disburse money from the fund for:

37 (1) merchandise for resale to inmates through the  
 38 commissary;

39 (2) expenses of operating the commissary, including, but not  
 40 limited to, facilities and personnel;

41 (3) special training in law enforcement for employees of the  
 42 department;

43 (4) equipment installed in the county jail;

44 (5) equipment, including vehicles and computers, computer  
 45 software, communication devices, office machinery and  
 46 furnishings, cameras and photographic equipment, animals,  
 47 animal training, holding and feeding equipment and supplies,

1 or attire used by a member of the metropolitan law  
2 enforcement agency in the course of the member's official  
3 duties;

4 (6) an activity provided to maintain order and discipline  
5 among the inmates of the county jail;

6 (7) an activity or program of the department intended to  
7 reduce or prevent occurrences of criminal activity, including  
8 the following:

9 (A) substance abuse;

10 (B) child abuse;

11 (C) domestic violence;

12 (D) drinking and driving; and

13 (E) juvenile delinquency;

14 (8) expenses related to the establishment, operation, or  
15 maintenance of the sex offender web site under  
16 IC 36-2-13-5.5; or

17 (9) any other purpose that benefits the department that is  
18 mutually agreed upon by the city-county legislative body and  
19 the sheriff.

20 Money disbursed from the fund under this subsection must be  
21 supplemental or in addition to, rather than a replacement for,  
22 regular appropriations made to carry out the purposes listed in  
23 subdivisions (1) through (8).

24 (d) The sheriff shall maintain a record of the fund's receipts and  
25 disbursements. The state board of accounts shall prescribe the  
26 form for this record. The sheriff shall semiannually provide a copy  
27 of this record of receipts and disbursements to the city-county  
28 legislative body. The semiannual reports are due on July 1 and  
29 December 31 of each year.

30 Sec. 49. (a) The sheriff shall hold in trust separately for each  
31 inmate any money received from that inmate or from another  
32 person on behalf of that inmate.

33 (b) If the inmate or the inmate's legal guardian requests a  
34 disbursement from the inmate's trust fund, the sheriff may make  
35 a disbursement for the personal benefit of the inmate, including a  
36 disbursement to the county jail commissary.

37 (c) Upon discharge or release of an inmate from the county jail,  
38 the sheriff shall pay to that inmate or the inmate's legal guardian  
39 any balance remaining in the inmate's trust fund.

40 (d) If an inmate is found guilty of intentionally destroying or  
41 losing county property after a hearing conducted under  
42 IC 11-11-5-5, the sheriff may disburse from the inmate's trust fund  
43 or commissary account sums of money as reimbursement to the  
44 county for the inmate's intentional destruction or loss of county  
45 property, including but not limited to clothing, bedding, and other  
46 nondisposable items issued by the county to the inmate. Before  
47 disbursing money under this subsection, the sheriff shall adopt

1 **rules to administer this procedure.**

2 **(e) The sheriff shall maintain a record of each trust fund's**  
 3 **receipts and disbursements. The state board of accounts shall**  
 4 **prescribe the form for this record.**

 10 FOLLOWS [EFFECTIVE JANUARY 1, 2006]: Sec. 1. **Except as**  
 11 **provided in section 1.5 of this chapter,** this chapter applies to any  
 12 geographic area that is established as a fire protection territory.

13 SECTION 233. IC 36-8-19-1.5 IS ADDED TO THE INDIANA  
 14 CODE AS A **NEW SECTION TO READ AS FOLLOWS**  
 15 [EFFECTIVE JANUARY 1, 2006]: **Sec. 1.5. (a) After December 31,**  
 16 **2005, in a county having a consolidated city, only:**

17 **(1) a consolidated city; or**

18 **(2) an excluded city;**

19 **may establish fire protection territory under this chapter.**

20 **(b) A fire protection territory that is established before January**

 23 **consolidated city provides fire protection services.**

24 SECTION 234. IC 36-9-11.1-11 IS AMENDED TO READ AS  
 25 FOLLOWS [EFFECTIVE JANUARY 1, 2007]: Sec. 11. (a) All  
 26 property of every kind, including air rights, acquired for off-street  
 27 parking purposes, and all its funds and receipts, are exempt from  
 28 taxation for all purposes. When any real property is acquired by the  
 29 consolidated city, the county auditor shall, upon certification of that fact  
 30 by the board, cancel all taxes then a lien. The certificate of the board  
 31 must specifically describe the real property, including air rights, and the  
 32 purpose for which acquired.

33 (b) A lessee of the city may not be assessed any tax upon any land,  
 34 air rights, or improvements leased from the city, but the separate  
 35 leasehold interest has the same status as leases on taxable real property,  
 36 notwithstanding any other law. Whenever the city sells any such  
 37 property to anyone for private use, the property becomes liable for all  
 38 taxes after that, as other property is so liable and is assessed, and the  
 39 board shall report all such sales to the ~~township~~ **county** assessor, who  
 40 shall cause the property to be upon the proper tax records.

41 SECTION 235. IC 36-9-17.5-1 IS AMENDED TO READ AS  
 42 FOLLOWS [EFFECTIVE JANUARY 1, 2006]: Sec. 1. **(a) Except as**

 44 **township.**

45 **(b) This chapter does not apply to a township or township**  
 46 **district in a county having a consolidated city.**

47 SECTION 236. IC 36-10-7-1 IS AMENDED TO READ AS

provided in subsection (b), this chapter applies to the townships indicated in each section.

**(b) After December 31, 2005:**

**(1) this chapter does not apply to a township in a county having a consolidated city; and**

**(2) all powers and duties related to parks and recreation of the townships in a county having a consolidated city are transferred to the consolidated city.**

SECTION 237. IC 36-10-7.5-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 1. **(a) Except as provided in subsection (b), this chapter applies to all townships: a township.**

**(b) After December 31, 2005:**

**(1) this chapter does not apply to a township in a county having a consolidated city; and**

**(2) all powers and duties related to parks and recreation of the townships in a county having a consolidated city are transferred to the consolidated city.**

SECTION 238. THE FOLLOWING ARE REPEALED [EFFECTIVE JULY 1, 2005]: IC 3-11-1.5-32.5; IC 33-34; IC 36-6-6-2.5.

SECTION 239. THE FOLLOWING ARE REPEALED [EFFECTIVE JANUARY 1, 2006]: IC 36-8-4.3; IC 36-8-7.5-3; IC 36-8-7.5-6; IC 36-8-7.5-7; IC 36-8-7.5-11.

SECTION 240. [EFFECTIVE JULY 1, 2005] **The general assembly finds the following:**

**(1) A consolidated city faces unique budget challenges due to a high demand for services combined with the large number of tax exempt properties located in a consolidated city as the seat of state government, home to several institutions of higher education, and home to numerous national, state, and regional nonprofit corporations.**

**(2) By virtue of its size and population density, a consolidated city has unique overlapping territories of county, city, and township government and an absence of unincorporated areas within its county.**

**(3) By virtue of its size, population, and absence of unincorporated areas, development extends to and across the boundaries of the contiguous governmental territories located within a county having a consolidated city, thus giving less meaning to boundaries of the governmental territories located within the county.**

**(4) By virtue of its size, population, absence of unincorporated areas, overlapping territories, and development to and across the boundaries of contiguous governmental territories, there is less need for differentiation of local governmental services within the separate governmental territories located within a**

1 county having a consolidated city, but rather the local  
 2 governmental service needs are similar and more uniform  
 3 within and across a county having a consolidated city.

4 (5) The provision of local governmental services by multiple  
 5 governmental entities with overlapping territories, and by  
 6 governmental entities with contiguous territories with less  
 7 meaningful boundaries, results in disparate levels of local  
 8 government services within a county having a consolidated  
 9 city and results in the inefficient and poor use of taxpayer  
 10 dollars.

11 (6) As the state capital and a center for professional sporting  
 12 events, tourism, and culture in central Indiana, the  
 13 consolidated city faces unique demands for protecting  
 14 governmental property and securing the safety of large  
 15 numbers of residents and visitors, which require innovative  
 16 approaches to public safety resources.

17 (7) If public safety resources are consolidated, residual  
 18 services provided by townships are limited and can more  
 19 effectively and uniformly be performed through consolidation  
 20 at the city or county level.

21 (8) By virtue of its size and population patterns, township  
 22 assistance needs in a consolidated city are greatest in its urban  
 23 center and differ from the township assistance needs outside  
 24 the urban center, and the lesser township assistance services  
 25 outside the urban center can be more effectively and  
 26 uniformly delivered through a consolidated district.

27 (9) By virtue of its size and population, a consolidated city has  
 28 a larger number of public safety employees than other  
 29 municipalities resulting in more significant pension  
 30 obligations, and through consolidation of public safety  
 31 resources, there is greater need for coordinated fiscal  
 32 oversight of pension funding.

33 (10) Substantial operational efficiencies, reduction of  
 34 administrative costs, and economies of scale may be obtained  
 35 in a consolidated city through further consolidation of county,  
 36 city, and township services and operations.

37 (11) Consolidation of county, city, and township services and  
 38 operations in the consolidated city will serve the public  
 39 purpose by allowing the consolidated city to:

- 40 (A) eliminate duplicative services;
- 41 (B) provide better coordinated and more uniform delivery
- 42 of local governmental services;
- 43 (C) provide uniform oversight and accountability for the
- 44 budgets for local governmental services;
- 45 (D) provide uniform oversight of pension funds for public
- 46 safety employees;
- 47 (E) simplify the system of property taxation;

1 (F) provide more unified tax rates; and

2 (G) allow local government services to be provided more  
3 efficiently and at a lower cost than without consolidation.

4 (12) Efficient and fiscally responsible operation of local  
5 government benefits the health and welfare of the citizens of  
6 a consolidated city and is of public utility and benefit.

7 (13) The public purpose of this act is to provide a consolidated  
8 city with the means to perform essential governmental  
9 services for its citizens in an effective, efficient, and fiscally  
10 responsible manner.

11 SECTION 241. [EFFECTIVE JANUARY 1, 2007] For property  
12 taxes first due and payable in 2007, the maximum permissible ad  
13 valorem property tax levy under IC 6-1.1-18.5 of a county having  
14 a consolidated city is increased by the amount levied in 2006 for  
15 assessor and related services by each township in the county.

16 SECTION 242. [EFFECTIVE JANUARY 1, 2006] Each township  
17 district shall refer the township district's proposed budget, ad  
18 valorem property tax levy, and property tax rate for 2007 to the  
19 local government tax control board, which shall review and set the  
20 budget, levy, and rate as though the township district is covered by  
21 IC 6-1.1-18.5-7. For property taxes first due and payable in 2007,  
22 the maximum permissible ad valorem property tax limits and any  
23 other limits on ad valorem property taxes set forth in IC 6-1.1-18.5  
24 of:

25 (1) a central township district shall be based upon:

26 (A) the amount levied in 2006 for the general fund;

27 (B) the amount levied in 2006 for township assistance,  
28 including reasonable administrative costs, in the central  
29 township district in a county having a consolidated city;  
30 plus

31 (C) thirty-five percent (35%) of the amount levied in 2006  
32 for township assistance, including reasonable  
33 administrative costs, by each other township located in the  
34 county containing a consolidated city; and

35 (2) a consolidated township district shall be based upon  
36 sixty-five percent (65%) of the amount levied in 2006 for  
37 township assistance, including reasonable administrative  
38 costs, by each township located in a county having a  
39 consolidated city, other than the central township district in  
40 a county having a consolidated city.

41 SECTION 243. [EFFECTIVE JULY 1, 2006] (a) Any case pending  
42 in a township small claims court established by IC 33-34, as  
43 repealed by this act, after the close of business on December 31,  
44 2005, is transferred on January 1, 2006, to the corresponding  
45 township division of the small claims division of the Marion  
46 superior court established by IC 33-33-49-14(c)(5) and  
47 IC 33-33-49-14.1, both as added by this act. A case transferred

1 under this SECTION shall be treated as if the case were filed in the  
 2 corresponding township division of the small claims division of the  
 3 Marion superior court.

4 (b) On January 1, 2006, all property and obligations of a  
 5 township small claims court established by IC 33-34, as repealed by  
 6 this act, become the property and obligations of the corresponding  
 7 township division of the small claims division of the Marion  
 8 superior court established by IC 33-33-49-14(c)(5) and  
 9 IC 33-33-49-14.1, both as added by this act.

10 (c) This SECTION expires January 2, 2006.

11 SECTION 244. [EFFECTIVE JULY 1, 2006] (a) Notwithstanding  
 12 the amendment and repeal by this act of provisions in IC 33-33-49  
 13 and IC 33-34, the term of a judge in office in a township small  
 14 claims court established by IC 33-34, as repealed by this act, does  
 15 not terminate until the date that the term would have terminated  
 16 under the law in effect on December 31, 2005. The election for the  
 17 initial small claims judges to be elected to the township divisions of  
 18 the small claims division of the Marion superior court under  
 19 IC 33-33-49-13.1, as added by this act, is the election to be held in  
 20 the November immediately preceding the date that the  
 21 corresponding term of the judge in office in a township small  
 22 claims court established by IC 33-34, as repealed by this act, on  
 23 December 31, 2005, would have terminated under the law in effect  
 24 on December 31, 2005.

25 (b) Notwithstanding the amendment and repeal by this act of  
 26 provisions in IC 33-33-49 and IC 33-34, the term of a constable for  
 27 a township small claims court established by IC 33-34, as repealed  
 28 by this act, does not terminate until the date that the term would  
 29 have terminated under the law in effect on December 31, 2005. The  
 30 election for the initial small claims constables to be elected under  
 31 IC 33-33-49-14.2, as added by this act, is the election to be held in  
 32 the November immediately preceding the date that the  
 33 corresponding term of the constable for a township small claims  
 34 court established by IC 33-34, as repealed by this act, on December  
 35 31, 2005, would have terminated under the law in effect on  
 36 December 31, 2005.

37 (c) This SECTION expires January 2, 2011.

 39 property taxes first due and payable in 2007, the maximum  
 40 permissible ad valorem property tax levy under IC 6-1.1-18.5:

 42 2006 for fire protection and related services by each:

- 43 (A) township;
- 44 (B) airport authority;
- 45 (C) fire protection territory; or
- 46 (D) excluded city;

 10 the amount levied in 2006 for fire protection and related  
 11 services by each township, airport authority, fire protection  
 12 territory, or excluded city whose fire department is  
 13 consolidated into the fire department of a consolidated city  
 14 under IC 36-3-1-6.1 or IC 36-3-1-6.3.

15 (b) This SECTION expires January 1, 2007.

16 SECTION 246. [EFFECTIVE JANUARY 1, 2006] For property
